

Archaeological Society of Alberta Cluny Fortified Village Site Field Trip

Saturday, June 3rd, 2017

On Saturday, June 3rd, 2017, the University of Calgary Public Archaeology Program will be offering a tour of the famous Cluny Fortified Village Site to ASA members.

We will meet at 10:00 AM in the parking lot at Blackfoot Crossing Historical Park. If we receive a high number of registrations, we will work with the staff of the Interpretive Centre to see if they will open it for us (\$12.00 + GST entrance fee). After touring the museum, we will walk down to the Cluny site where Dr. Dale Walde will lead us in a guided tour and speak about the results of the recent excavations. The site tour will take one hour; if the museum and Interpretive Centre tour is added, it will contribute an additional two hours.

Participants are encouraged to bring their own lunch, water and water bottles, sun screen, bug repellent, hats, and should wear weather appropriate clothing. Please check the weather forecast and plan accordingly. There are porta potties on site which may be used by society members. Please note that the walk to the site includes rough terrain and a steep incline.

If you are interested in attending, please register through the University of Calgary Public Archaeology Program by emailing pubarky@ucalgary.ca.

The Public Archaeology Program, the Department of Anthropology and Archaeology, and the University of Calgary are not responsible for cancellations as the result of severe weather conditions. Changing weather conditions in the field may require cancellation while at the site. In either case, no refunds of the Blackfoot Crossing Historical Park admission fee or costs relating to travel to the park will be provided.
